First Thoughts . . .

Young people of today eh? They think they are so hip and trendy with this new language they have created for texting - *OMG*, *CUL8R* and things like that.

Except they are not. Way back in 1917, Lord Fisher wrote a letter to Winston Churchill in which he used the abbreviation *OMG*. He did add *Oh! My God!* In brackets, just in case Winston wasn't that up to date with text-speak.

Even earlier than that in *Gleanings From the Harvest-Fields of Literature*, compiled by Charles C Bombaugh, is a poem called *An Essay to Miss Catharine Jay*. The un-named poet uses phrases such as 'I wrote 2 U B 4'. and 'He says he loves U 2 X S,/ U R virtuous and Y's.' The book was published in 1867

but it is thought the poem had been around since 1828.

Still, at least they are on the ball with this environmental thing - saving the planet and all that. I mean, what a gr8 idea to take your own bag to the shops. And using paper bags in stead of plastic ones. Oh, wait a minute, didn't they do something like that in Victorian times?

Ah, but this idea of Reduce, Reuse Recycle, that's relatively new isn't it? Well, the phrase itself dates back to the early 1970s, but the ethos is little different from the *Make Do and Mend* campaign started by the Ministry of Information during the Second World War. Nothing new there then.

This plastic stuff though, we really should get rid of it all. Let's start with mobile phones - they are made of plastic, aren't they? **MAC**

HM Revenue & Customs Scam Alert

What You Need To Know

Action Fraud has experienced an increase in the reporting of malicious calls and voicemails, to members of the public purporting to be from Her Majesty's Revenue & Customs (HMRC).

Fraudsters are spoofing genuine HMRC telephone numbers to deceive their victims over the phone. The fraudsters state that as a result of the victim's non-payment of tax or other duty, the victim is liable for prosecution or other legal proceedings in order to settle the balance. The fraudsters suggest victims can avoid this, by arranging payment to be made immediately by methods such as bank transfer or by purchasing iTunes gift cards.

If the victim is hesitant or refuses to comply, the suspect makes a threat such as immediate arrest, sending bailiffs to the victim's address or, in some cases, deportation.

Often, the period for which the tax is allegedly due is distant enough to guarantee the victim will have little, if any, paperwork or ability to verify the claims. Once the money is paid the suspects sever all contact with the victim.

In genuine cases, HMRC will initially make direct contact with you via post/letter and potentially follow up that letter with a phone call at a later date.

If HMRC contact you via telephone

Advertising in the Gazette

Full details from:

treasurer@reethgazette.co.uk

they will quote the reference number on the initial letter you should have received. HMRC will not discuss something you are not already aware of, like a tax investigation, and will NOT demand immediate payment.

It is vital that the public exercise caution when receiving messages or telephone calls of this nature.

What You Need To Do

1. Always question unsolicited requests for your personal or financial information. Just because someone knows your basic details (such as your name and contact details), it doesn't mean they are genuine. Instead, contact the company directly using trusted methods such as a known email address or phone number.

2. Legitimate organisations wouldn't ask you to pay taxes, bills or fees using an iTunes gift card, or any other type of voucher. If you're contacted by anyone that asks you to do this, you're likely the target of a scam

3. Don't be rushed or pressured into making a decision. Under no circumstances would a genuine bank or some other trusted organisation force you to make a financial transaction on the spot.

4. Report Phishing attempts. If you receive a call, text or email of this nature and have not lost money, you can report this as phishing to Action Fraud at:

<https://www.actionfraud.police.uk/report-phishing>

Duke Of Edinburgh In The Orchard

Since the beginning of April, two Duke of Edinburgh participants Jarvis Price and Sam Grigg have been doing their Bronze Service section in Reeth Orchard.

Not only have they eased the workload of the other volunteers there, but have been unfailingly polite and cheerful even when faced with some seriously dirty jobs like digging out the compost heaps and spreading it round the garden; and they happily took on the tedious task of weeding the paths.

TAKE TIME TO RELAX!

I can cook delicious dishes ready for your table or freezer, from canapés through to desserts.

You can have quality homemade food ready and on the table with minimal effort.

**Contact Sandie Bond
on 01748 884794**

They say they have enjoyed the learning process and would like to continue helping in the orchard in the future. We hope that their example will be followed by other D of E participants.

**Reeth Parish Council
June 2019**

Council members: The chair welcomed newly co-opted members Martin Bearpark, Helen Guy, Beverley Rutter and Paul Terry.

Constitution: An existing constitution used by another council had been adapted for use by the Reeth parish council and was circulated for consideration.

Memorial Benches: Coun Frankland was liaising with the families of the late Jack Alderson and Malcolm Terry regarding the placing of benches in their memory.

National Park: Forms were signed and returned for the ballot for a parish council representative on the board of the National Park Authority.

Electric cars: Following a suggestion from a Reeth resident that a charging point for electric cars would be of benefit to both locals and visitors, the costs had been investigated. The outlay was too great for an individual council but local authorities were able to apply for grants for installing charging points and it was understood that funding might also be available through the National Park. The clerk would write to Richmondshire District Council and the YDNPA to say that the council would be interested in supporting such a scheme if one was proposed.

Archaeology workshop: Information about a workshop on accessing funding for local history projects would be forwarded to the archaeology group.

Textile collections: A letter was received from RDC raising awareness of a number of fraudulent textile collectors known to be operating.

Green agreements: The requests for items to be placed on the green were discussed. It was noted that some businesses were putting out more things than they had permission for or were not taking them in overnight.

Notice board: Coun Longstaff would look into the possibility of providing a lockable, glass fronted case for official parish council notices.

Highways: Coun Frankland reported on a site meeting which he and Coun Longstaff had attended with representatives from the Highways Department to look at a number of outstanding items of concern around the parish. Items covered included curb stones, several drains, the footpath on School Hill, the retaining wall on the Healaugh road, tarmac patching, the wall opposite the former shop and problems with water on the road.

Highways would send a report on the various matters raised and what would be done about them. They had also confirmed that an area of tarmac near the Copper Kettle was not part of their remit.

District Council: Coun Good reminded the meeting of the RDC grants available for communities on the route of the UCI cycle event in September. He planned to hold a ward advice surgery for local residents in Hudson House from 6.00pm to 7.00pm on Thursday July 18. **Tracy Little**

Full Circle

As I write this, the final decision has been made to close Arkengarthdale Church of England School this summer. The outcome was inevitable but a very sad day for our community and for the generations that follow.

The School in Arkengarthdale was founded in 1659 so it is for 360 years that we have been educating numerous generations and thousands of children in the Dale. 360 - the degrees in a circle so perhaps apt to say the School has come full circle.

Having been a Governor for over 25 years, I feel qualified to have some reflections. I would like to thank all those who supported me (and those who sometimes haven't) especially all the years I was Chair and to thank the very many people in our community who have supported the School over the years.

We must, however, look forward and "Our School" in September will be Reeth with Gunnerside. I would hope that all will now support that school which must carry the baton forward.

Equally, I would urge Reeth and Gunnerside's Head, Governors, Staff and Children fully to embrace the community of Arkengarthdale and actively strive to maintain that Dale's activities which Arkengarthdale School always supported, such as Arkengarthdale Sports and the Annual United Carol Service.

We must all work together for the benefit of current children and those generations to come.

**Holiday Bible Club
Reeth Evangelical
Congregational Church**

This first started in 1988. Members of the Church were helped by Don Hinchcliffe who went on to lead the week for more than 15 years. Many people from Reeth who came to Holiday Bible Club during those early years will remember Don although some of them will be in their forties by now.

Activities have not changed much over the years: singing, games, Bible stories, drama, craft, a sports day and a family fun time. I have observed much of this from the sidelines and have been struck by the involvement and fun of the children. Among the titles of Holiday Bible Club weeks in the past have been *Going Bananas*, *Jungle Jamboree*, *Narnia* and *David the Giant-Slayer*.

We have had some very colourful characters who have been part of the teams, for example Samuel from India in 2002 and Daniel from the Czech Republic in 2004. Over the past few years there has been a University professor and a judge but they will leave their professing and judging behind when they come to Reeth.

This year Holiday Bible Club will be on Tuesday 20th to Friday 23rd August, each morning's activities beginning at 10 am. They will take place in the schoolroom of the Congregational Church. The title of the week will be *God's Miracle Worker - Elisha*. All children of primary school age will be welcome.

- When are you gonna come down, when are you going to land - **Goodbye Yellow Brick Road**
- You could never know what it's like, your blood like winter freezes just like ice - **I'm Still Standing**

And the tiebreaker: He had 69 Top 40 singles; and of these, 32 went into the Top Ten.

We have a winner: Marion Parnell who loved the Rocketman film and was very close with the tiebreaker.

This month, to keep The Skinnerman

happy, we are going back to the Golden Age of Rock & Roll. These are the first lines of which songs? And the name of the artists.

- Well, since my baby left me
- Deep down in Louisiana close to New Orleans
- All of my love, all of my kissin'
- You shake my nerves and you rattle my brain
- Gonna tell Aunt Mary 'bout Uncle John

For the tiebreaker: Put them in chronological order.

It will be a cinch for The Skinnerman but don't let that put you off - we can't have him thinking he is the only one in the two dales who knows anything about rock & roll.

UCI Road World Cycling Championships Event Sunday 29th September

With reference to the above, Hudson House is in the process of seeking funding from Richmondshire District Council to engage with our local young people to create some decorations on a cycling theme in order to decorate the area ready for this major world event. The plan is for local young people to prepare and paint plywood bicycles and other items during the August school holidays facilitated by Hudson House and other volunteers.

We would like you to let us know if you would be prepared to display any of these items on your premises and if you would be able to contribute anything towards the cost or willing to give your

time to help with this project. Any contributions of paints or materials would also be most welcome.

Please could you contact Jill May or District Councillor Richard Good if you are willing to help.

Friday Singing Group

The Friday Singing Group has a summer break in July and August and begins again on 6th September.

We meet in Reeth Congregational Church hall from 2.00-3.30pm, with a break for tea and cake.

All are welcome to join us to enjoy singing songs both traditional and modern.

The Gazette is online:
www.2dales.org.uk

On average we respond to 60 calls each year. There were four incidents this month.

Incidents June 9th to July 9th

04/07/2019 14.30hrs: (20) Called by Yorkshire Ambulance to assist with the evacuation of an injured walker on the very steep & narrow steps at Richmond Castle. A slightly unusual job for us but the very steep & narrow steps made it a 'tricky' little job.

03/07/2019 17.30hrs: (19) Called by the Ambulance service to assist with the extraction of an injured walker near Aysgarth. Stood down en route as the crew on scene managed to assist the casualty to the Ambulance.

23/06/2019 08.00hrs: (18) We provided safety cover for the annual Mintex Motorbike trial.

15/06/2019 22.00hrs: (17) Team called to assist Police in search for missing person in Scorton area. At 2.00am search called off as Police conducted further enquiries. Thank you to all at Farmers Arms, Scorton who kept us plied with tea and coffee.

DON'T FORGET IF YOU NEED MOUNTAIN OR CAVE RESCUE, call the POLICE on 999 and ask for MOUNTAIN or CAVE RESCUE. They will call us and an ambulance (if required).

Library Happenings

Lots going on in the library for youngsters during the summer holidays:

The Summer Reading Challenge is to read six books before 7 September. It is open to everyone aged 4 to 11. For every two books you read, you'll get some "rewards" and when you've read six books (fiction, fact, jokes, history, hobbies, poetry, whatever appeals to you) you'll get a medal and a certificate.

Remember, the library at Hudson House is open 7 days a week, from 10.00am to 4.00pm. You can change your books whenever you want, but to sign up for the challenge or collect your rewards you'll need to pop in on Wednesdays or Saturdays when a volunteer will be there.

Wednesday storytelling in the Orchard

Come along to hear Rhoda Fraser telling stories and do some puzzles and colouring for around an hour and a half every Wednesday at 11.00am up to 28th August. We'd love you to come in fancy dress - and it would be great if you link it to the theme of that week's story:

- Wed 7th August - Princesses and Knights
- Wed 14th August - Space
- Wed 21st August - Old McDonald's Farm
- Wed 28th August - Mad Hatter's Tea Party

Children of all ages very welcome - bring an adult with you and a rug or a cushion or two. (If it's wet we'll be inside).

Reeth Brass Band

Following the two concerts in early June, at Beamish Museum on 2nd and St. Mary's Church, Arkengarthdale for the Swaledale Festival on the 4th, the band played at Eggleston Gala on the 8th and St. Mary's Church, Richmond for Mothers Union Charities on the 22nd. The last engagement in the month was to be on Reeth Green on the 30th. Unfortunately due to the weather this had to be moved into the Memorial Hall, Reeth, where a small but appreciative audience enjoyed a short concert.

Co-operation between the band and Reeth and Gunnerside Schools has led to a lunchtime club being set up at Gunnerside once a week. Up to date there have been three half hour sessions with six pupils involved. Five cornets have been loaned, free of charge, by Reeth Band and two members of the band are volunteering to tutor the group.

On the 7th of July a small band of dedicated members was provided for the Reeth Sports Day, held on the

**Astronomy
In The
Two Dales**

Is our Sun a variable star? Last month we took a brief look at the categories of variable stars and asked the question if our Sun shows some or all of these qualities.

The first category is that of a pulsating star, one that changes size over time, this is also the easiest question to answer, as throughout our history of astronomical observations, which is at least 5000 years and maybe longer, there is no record of our Sun expanding and shrinking.

The question of whether we live in an eclipsing binary star system, where two stars orbit each other or orbit around a point in space and block each

other's light, depends from which point in space you view our solar system.

From our perspective the Sun can only be eclipsed by the Moon, however, from an outside observers view point, our Sun would be seen to dim and brighten every 12, 30, 84 and 165 years as Jupiter, Saturn, Uranus and Neptune passed in front of the Sun and blocked its light. An outside observer may conclude that our Sun has several red dwarf or brown dwarf companion stars that form a quintuple star system much like TYC 3807-759-1 which is in the constellation Ursa Major and that one or all of these stars form an eclipsing star system.

Now we come to the big question: Does our Sun fit the category of an erupting or catastrophic star? Well we know that the Sun gives off flares and coronal mass ejections, where vast amounts of energy and matter are hurled into space; but have these ever been large enough to effect any of the planets in our solar system?

On September 1st - 2nd 1859 a solar flare from our Sun hit the Earths magnetosphere and caused an auroral display that was seen as far south as Hawaii and telegraph lines threw sparks as they conducted the energy in the atmosphere. Energy from the Sun of

such magnitude effects the element Carbon14 and using this fingerprint we can detect two previous flare events in 993-994 AD and 774-775AD. So we can perhaps describe our Sun as an erupting star, but is there evidence of

it fitting the cataclysmic definition?

Let Them Eat Cake

A scrumptious sponge was happily consumed by members celebrating 25 years of Langthwaite Lunch Club.

Jocelyn Campbell, as a member since its inauguration in June 1994, with Mike Beckwith cut the cake and Mike, as instrumental in the development of the club, reminisced about its history.

Rachel Newborn provided, as she has done for the last seven years, a delicious and nutritious pre-ordered three course meal. Lisa Porter preceded her and prior to Lisa, Gladys Atkinson, well known throughout the two Dales for her culinary delights, catered for the club for over ten years.

After Mike's stalwart leadership, Greta Stones ably took over running the club between 2010 and 2016 and continues to be of invaluable support.

Langthwaite Lunch Club is one of four lunch clubs - on consecutive weeks, it's possible to have a meal in Reeth, Low Row and Muker. These lunch clubs, under the organisation of Alan and Julia Thorogood, are a wonderful way of meeting new people (especially important for those new to the area), catching up with friends and, of course, not having to cook an evening meal.

Please come and meet some of us at our annual Cake and Produce Stall on Reeth Green on Friday 16th August.

Grinton and Ellerton Parish Council July 2019

Council members: Stephen Porter had been co-opted for the council vacancy.

Highways matters: Problems discussed at the previous meeting including bridges and retaining baskets along the beck side had been reported via the parish portal but with no obvious results as yet. There were also ongoing concerns over the state of the wall next to the moor road which had been reported several times previously. The clerk would forward all the relevant correspondence to District Coun Good for him to follow up.

The handrail on the footbridge over the beck had been reported to the National Park Ranger who had inspected it.

Coun Jones reported that retaining baskets of stones were also failing along the beck near the Grange. The clerk would check responsibility for these with the Ranger and also pass the information to Coun Good.

It was agreed that a site meeting was needed with representatives from the Highways Department to look at all these concerns.

Street lights: RDC had removed the light on Pedley House as it was no longer working and they felt it was too far back from the path to be of any use. There was now no light at that end of the bridge which was felt to be very dangerous due to the narrowness of the footpath at that point. The clerk would ask if there was an alternative fixing point, such as a telegraph pole, for a new lamp, pointing out the high number of pedestrians using the footpath to get from the parking field to St

Andrew's church when events were held there.

Hall Registration: Members agreed to go ahead with the registration of the village hall with the Land Registry and Coun Coates was looking into the costs involved.

Cycle event: Funding was available for communities wishing to do something to celebrate the UCI World Championship event in September. If it was possible to get costings in the short time available the council would request a grant for bunting and welcome banners.

Road safety: There were ongoing concerns from councillors and several residents about safety on the road to the moor, particularly with cyclists and others coming down the hill at speed but also turning from the main road onto the moor road without paying attention to oncoming vehicles or pedestrians. It was felt that it was only a matter of time before there was a serious accident. In the first instance the matter would be raised with Highways, proposing that additional signs were needed on the moor, warning cyclists and motorists of the very steep hill ahead. A notice had also been suggested at the end of the Swale Trail to warn users that they were now on a public road and should be aware of motorised traffic.

There had also been difficulties with very large vehicles using the road, including a school bus - this would be monitored and reported if necessary but it was understood that the police were also acting on the problem.

Next meeting: Councillors agreed to move the next meeting from 2 to 9 September 2019.

Swale Singers News

You'll already be aware that on Sunday 18th August the Swale Singers are singing their way down the dale to celebrate our 30th anniversary - we'd love you to join us at any of the following locations:

- 4.30pm Muker
- 5.10pm Gunnerside
- 5.50pm Low Row
- 6.30pm Reeth Green
- 7.10pm The Bridge Grinton

On Sunday 1st September our weekly practices start again at Reeth Memorial Hall from 3.00 to 5.00pm. New singers are always welcome - you don't need to read music, or to have sung in a choir before. Just come along and give it a try. If you're a tenor, or a soprano who can reach the high notes, you'll be doubly welcome.

In the autumn term we'll start working on Bach's Magnificat and a selection of seasonal works ready for our almost Christmas concert on Saturday 30 November in Reeth Memorial Hall, where festive food and drink will accompany the music.

And before then we are having a Come and Sing Day on Saturday 9th November. From 9.30am-4.30pm at Reeth Memorial Hall we shall be working on choruses from Mozart's Great Mass in C Minor. We'll all be starting from scratch on the pieces, so you don't need any previous knowledge of the music. Even if you can't join us as a permanent member of the choir, do come and have a jolly good sing on the day - and bring your friends, neighbours, family, the more the merrier. And if you don't sing at all, just come listen at 3.30pm and be blown away by the magnificence of Mozart's music.

Incredible Edible

Our first small plot is up and running and lots of people have been entering into the spirit of it by planting their spare seedlings, so there's not much room left. There are French beans, runner beans, kale, strawberry runners, herbs, courgette and nasturtiums (which have edible leaves and flowers). We've added marigolds as 'companion plants' to help deter greenflies.

There hasn't been much need to water so far (early July), but with warmer weather on the way, things will soon start to grow. Keep an eye open to see how the plants are doing, and when things are ready, feel free to pick some (don't forget to leave some for others.) If you know of somewhere that could make a good village garden, get in touch and we can help you get started.

Recycling

People have been asking us how to recycle plastic bags and film. The

nearest collection point we've found is at the Tesco store at Catterick Garrison. It accepts carrier bags or plastic packaging with this logo (see picture). The recycling point is inside the store, at the far end after you go through the checkouts.

Look out for the 'Recycle with carrier

bags at larger stores' message on your breakfast cereal, toilet and kitchen roll wraps, bread bag, grocery produce, multipack shrink wrap and newspaper and magazine wraps.

Please let us know if you find other stores which accept this packaging for recycling, and we'll keep a list on our website.

Richmondshire Council's website has helpful guidelines on what you can recycle, and what you might assume is recyclable, but isn't: <https://www.richmondshire.gov.uk/bins-and-recycling/recycling/what-can-i-recycle/>

Climate Emergency

We've been liaising with Richmondshire Council, asking them to join over 100 other UK councils in declaring a climate emergency and then developing policies to actively support carbon reduction.

Reeth and Muker show

We're planning stands at both Reeth and Muker show, so come and say hello. We hope to have a quiz (with prizes) on recycling and would love to know what questions and challenges you have on any sustainability topics.

Monthly meetings

Our core group is meeting on the first Thursday of each month, and the next meeting is Thursday 1st August. We plan to meet in the evening at the Punch Bowl, Low Row, but please email us to double check the place and time: info@sustainableswaledale.org

Felt-Making In Marrick

A felt-making workshop, where participants make a fluffy 100% wool mat or chair pad from local fleece, will be taking place at Marrick Institute in August. This follows on from the first workshop held for beginners, who have since progressed to making felt pictures and felt cushions. Wool from local farms and British breeds is used where possible.

The Fluffy Mat Workshop will take place on Thursday 8th August from 10.00am to 4.00pm and costs £50. Places are limited and some previous felt-making experience is desirable. Beginners' workshops can be arranged for a group of 3 or 4 on a mutually convenient date, when participants learn basic felt-making techniques and complete a small project. All materials are provided and participants take home a good selection of local and British wools.

For more information on the workshops, to register interest or for details of how to book, contact Hazel on 07875 945 413 or email dalesfelt@btinternet.com

Please note: the closing date for bookings for the Fluffy Mat Workshop is Monday 5th August 2019.

2 Dales Football

The Club held their Presentation on a lovely sunny day at the end of June and this was followed by a BBQ and some football.

In my address I said that about 10 years ago the FA, after much work, published "Their Game" strategy for junior football which our League fully embraced from the outset. The emphasis is on development football but some leagues and clubs and, particularly some parents and coaches, cling to the old ways leading to difficulty with the retention of teams after about 8 as some still prefer the season long league with a league winner at the end.

There is evidence next season of an improvement and our League is able to offer not only an U9 division but also an U10/11 division which had looked unviable, as well as an Under 12/13 division. The U10/11 division is now looking particularly promising.

Unfortunately, however, we would not have been in a position to enter either U9s or U10s/11s but we were approached by Hawes and are very pleased to expect to enter joint teams at both these age groups as well as an Under 12/13 team.

We therefore invited Hawes to bring some players for some informal football after the Presentation and, after 2 or 3 minutes initial shyness, they gelled well together and it looks very positive going forward but, as always, a lot of work to do.

Bronze skills awards were made to Dexter Nathan-Thomas, Coen Pickard-Sparne, Monty Rowland-Hill, Coleby Teague, Rowan Wilkinson, Alice Botting,

Daniel Bradley, Harriet Rowland-Hill and Lenny Blowes.

Silver skills awards to Max Dunne and Will Tyrala.

Gold skills awards to Nicholas O'Keeffe, Magnus Nathan-Thomas, Eidur Pickard-Sparne and Sam Draper.

Platinum skills awards to Oliver Scott, Jack Dalton, Josh Luchford, Alfred Atkin and Ben Alderson

Other Under 9s awards were: Goalscorer of the year - Coen; Most Improved - Oscar Kendall; for Determination - Cody Ackroyd; for Attitude - Freddie Lundberg; Futsal Player of the Year - Rowan Wilkinson and Players' Player of the Year - Coen.

Other awards to the Under 12s: Goalscorer of the year - Oliver; Most Improved - Eidur, Futsal Player of the Year - Sam and Effort - Harry.

Chairman's Awards were made to Monty for great Defending and Lenny for Determination.

Finally our Cups were awarded as follows:

- Under 9s Player of the Year (Gunnerside Estate Trophy) - Dexter Nathan-Thomas.
- Under 12s Players' Player of the Year - Oliver Scott.
- Norman Rutter Memorial Cup - Nicholas O'Keeffe
- Player of the Year -(Ice Cream Parlour Trophy) - Jack Dalton

We are looking for additional players in each of the year groups for 2019/20 season and also more help with coaching and refereeing.

Theatre By Bus

You can enjoy two remarkable
productions at York Theatre Royal in
September.

Adapted from Sarah Waters' best-
selling novel, *The Night Watch* is a
thrilling and beautiful story set in
London in the 1940s. In a time when
hearts beat faster and life burned
more brightly, *The Night Watch* is a
tender, tragic and beautifully poignant
portrait of four ordinary people caught
up in the aftermath of war.

Olivier-nominated playwright Hattie
Taylor creates a gripping and
theatrically inventive adaptation of this
great modern novel.

See this matinee performance on
Thursday 5th September, cost £39 for
coach and ticket. Bookings are needed
before 16th August.

In the shadows of Brooklyn Bridge,
the American Dream is but a
shimmering mirage in Arthur Miller's
Tony Award-winning masterpiece *A
View from the Bridge*.

In 1950s New York, respected long-
shoreman Eddie Carbone lives with his
wife and niece in a tight knit, immigrant
community bound by moral codes of
justice and honour. The surprise arrival
of her Sicilian cousins unravels all that
they have built together as the young
men search out work, wealth and love.

This matinee performance is on
Saturday 28th September, cost £39
for coach and ticket. Bookings are
needed before 6th September.

The coach starts from Middleham
and will pick up at Leyburn, Crakehall
and Bedale.

Please ring 01969 663259 for more
information or to book.

Upper Dales Family History Group

June's speaker was genealogist Sylvia Valentine with the fascinating story of the Dawson orphans, illustrating the wide variety of sources she'd been able to use to research them and how some lateral thinking had enabled her to tie them together into a whole.

In the Keighley workhouse correspondence book Sylvia had found a letter from 1838, copied to three men in different parts of the country, regarding the five sons of the late William Dawson who had been left to the care of the parish.

The letter listed the boys' names and ages. Parish registers enabled her to find their baptisms and the family address and showed that William had originally been a worsted manufacturer but later became a wine and spirit merchant; local trade directories showed that he had taken over the business from his deceased brother. Administration of the brother's estate gave the name of their father, Robert, and more delving into the registers showed that Robert was originally from Troutbeck.

Marriage licences showed

relationships between some of the people mentioned in the correspondence book and in newspaper reports but sadly, when the brothers lost their parents, sister and only surviving grandparent within a short space of time, there was no-one left locally to take care of them. An aunt sent money to the Board of Guardians to help with their support but with six children of her own she was in no position to take on five extra boys.

Sylvia had then used a combination of the Church of England Clergy Database, census records, property transactions, court records and newspaper reports, as well as documents in the National Archives and from John's Oxford College and Wakefield asylum to trace the very varying careers of the brothers in a story which encompassed inheritances, insanity, suicide and running away to join the merchant navy, alongside the more mundane details of 19th century family life.

Summing up she said that the important things was to use multiple sources, comparing as many records as possible and never to take anything at face value.

The following incidents of note have occurred in the dales area this month:

Overnight on 9th June, a stationary car looks to have been hit by a passing vehicle whilst parked on the road near Ivelet. A property in Gunnerside also had substantial damaged caused to the wall of their house by what appears to be caused by a passing vehicle on the same night. There have been no witnesses come forward in either case but if anyone has any information about this, you know what to do.

Within the space of three weeks, two quad bikes have been stolen from Ravenseat in what appear to be targeted thefts. Both occurred overnight on 20th/21st June and 7th/8th July - if anyone can remember

Overnight on 28th/29th June, The Blue Lion Inn at East Witton was broken into and a large number of high value food items were taken.

Overnight on 7th July a trailer and large amount of feed was stolen from a farm in Lower Wensleydale near Thornton Steward.

Please double check your farm security on a night and report any suspicious vehicles or persons you see around your property. If anyone would like any security advice, whether home, business or farm please just let us know.

Further to above, we have had a fantastic number of you phoning in reporting suspicious vehicles in the last month - please keep it up as this information is invaluable to us. Even if we do not locate the vehicle there and then, it helps build intelligence as to who is in the area, where they coming from and what areas they are looking at.

Wensleydale Concert Series

We are very pleased to welcome Mark Viner to play works by Liszt, Alkan and Thalberg on Saturday, 31st August at 730pm in St. Andrew's Church Aysgarth.

The three composers represented were contemporaries and rivals both as composers and performers. All three composers were Romantics and their works fiercely difficult but also beautiful.

We are incredibly lucky to have Mark Viner visit and play for us. He plays beautifully with apparent easy and supreme musicality and is a considered a true rising star - indeed on the day tickets went on sale people from other parts of the UK booked

hotels to come to the concert.

"Everything about the British pianist Mark Viner breaks the mould: an autodidact and a late starter at the keyboard, he quickly grew into a supple, virtuosic player who seems to turn every technical challenge into a musical asset, excelling in repertoire that few others have touched ... an exceptional young artist with an uncompromising and distinctive personality both on and off the stage" International Piano Magazine, July 2018

This is a recital not to be missed.

Full details and tickets are available at www.wensleydaleconcertseries.co.uk. Tickets £15 (£1 for Under 18 and full time students)

Tickets can also be purchased by phone via 0333 666 3366 (please address any other enquiries to Carol Haynes on 01969 663026).

"Do you have one of those hot water machines?"

"Do you mean a kettle?"

"Yes, that's it."

Beetles taste like apples; wasps taste like pine nuts; cockroaches taste like beetroot; and worms taste like fried bacon.
